

13TH ANNUAL NATIONAL

**POLLED
SHORTHORN
CONGRESS**

Show & Sale

**KANSAS STATE FAIR GROUNDS
APRIL 20-21, 1953 - HUTCHINSON, KANS.**

Schedule of Events

SHOW OF CATTLE: Monday, April 20th - 9:30 A. M.

JUDGE: John Hudson, Avenel Farm, Bethesda, Md.

BANQUET AND ANNUAL MEETING: Monday, April 20th - 7:00 P. M.,
Wiley Tea Room, Wiley Bldg., Second and Main Street.

SALE: Tuesday, April 21st - 9:30 A. M.

Both the show and the sale will be held at the Kansas State Fair Grounds, located toward the north end of Main Street. Maps and full direction guides will be provided by the Chamber of Commerce.

HOTEL RESERVATIONS: Because accommodations must be divided among four hotels in Hutchinson, we suggest you address reservation requests to Mrs. Irene Groves, Convention Secretary, Chamber of Commerce, Hutchinson, Kansas. She will handle reservations in one of the four hotels in town - or if you prefer accommodations in very modern, comfortable, conveniently located motels, this should be indicated. Be sure to mention the Polled Shorthorn Congress when requesting reservations, as well as stating exact time of arrival and type of accommodations desired.

LUNCH: For the convenience of our guests, luncheon will be served at the Fair Grounds on both days.

Standard Guarantee OF AMERICAN SHORTHORN BREEDERS ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

5. All animals are sold to comply with the laws regulating Tuberculosis and Bangs Disease of the state or country into which they may be shipped.

6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.

7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All animals sold in this Sale will be backed by the above Standard Guarantee.

As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bangs Calfhood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.

ALAUNA RAMPART - x We consider this dark roan, and his full brother Alauna Raider also in this sale, along with Alauna Collynie (the 1946 Congress Champion that sired two International Grand Champions and one Reserve Grand Champion) as the three best bulls developed at Alauna Acres and all sired by Alauna Lord Collynie. Their dams were by Bridgebank Jubilee and very much alike. Thus this pair of bulls are 3/4 brothers to Alauna Collynie and also 7/8 brothers to Shir Ma Rita Broadhooks, the 1950 Congress Grand Champion female - also sired by Alauna Lord Collynie. The old bull is still in active service, so we are offering this pair, because we have many half sisters and also a grandson of the old bull with 3/4 outcross blood to use on the daughters of Alauna Lord Collynie. Rampart is proving a 90% dehorner on females of limited polled breeding. Photo is snapshot.

A-LAUN-A RAIDER x is a dark red. His full brother also in this sale and Alauna Collynie, world renowned sire in the J. W. Bennett herd, are the three best sons of Alauna Lord Collynie. This grand old bull is the only living sire of Congress Grand Champions of both sexes Alauna Collynie in 1946 and Shir-Ma-Rita Broadhooks in 1950. We have held both Alauna Raider and Alauna Rampart as herd bull insurance in case their sire should stop breeding. The calves at Alauna Acres by both these bull are the equal of those by the old sire and we feel we are offering some of the most prepotent Polled Shorthorn blood in America and if they should be so fortunate to go into constructive herds more illustrious Polled Shorthorn history will be written.

BAR L. CROWN PRINCE x - probably the youngest son of old King of the Vanities that sired three International Grand Champions. With a dam by a son of imported Gosshall Ximenes he represents a blend of breeding that should be an asset to any herd.

1952 International Grand Champion Bull

S G ADMIRATION by Oakwood Conqueror, was Junior and Grand Champion Polled Shorthorn bull at the 1952 International Live Stock Show. Owned jointly by C. B. Teegardin & Sons, Ashville, Ohio and South & Gallaher, Franklin, Ohio. This even roan Senior Bull calf possessed excellent breed character, was uniform in thickness and nicely balanced. Deep and lowset, on sturdy legs he walked well and appeared every inch a Champion. His sire was Grand Champion at the 1949 Ohio State Fair and a first-prize Senior Yearling at the International.

Buyers looking for the ideal beef type animal, 100 percent modern, 100 percent able to give full and quick return on cattle investments, cannot afford to overlook the Polled Shorthorns offered in this Congress, with championship bloodlines in their backgrounds.

HILLDALE SPECIAL x Here is a chance to get a herd sire prospect from the International Sale champion bull. He is a big, thick bull for his age and the kind that will produce money making cattle.

1952 Congress Grand Champion Bull

KINTYRE COMMANDO sired by Gold Gloster, bred and consigned by Kenner Farms, Hebron, Nebr. was the Grand Champion and top-selling bull in the 1952 Polled Shorthorn Congress held in Montgomery, Alabama. Photo is an unretouched snapshot.

This bull had exceptional bone and sound sturdy legs. He was deep and massive, without being old-fashioned. He was thick, short-coupled, smooth and has a wonderful spring of rib. His head was the kind expected on an outstanding sire. The bull was sold for \$3100. after spirited competition (which involved many of the best Polled Shorthorn herds in the nation) to

George E. Smith of Keokuk, Iowa to further strengthen his outstanding herd.

This Congress offers the modern type bull for every type herd and every size pocket-book. Practically every bull is ready for immediate service. BUY POLLED SHORT-HORNS FOR THE UTMOST IN BEEF PRODUCTION.

W. B. KING 2D x- Is a solid dark red, large-boned bull with plenty of weight for age. His dam was the 1948 Grand Champion of the North Central Kansas Show and Sale.

The Congress offering this year is far superior to anything yet presented . . . the cattle are the kind that always create a demand for the breed wherever they go and include an outstanding group of individually inspected cattle that can and will stand on their records.

Breeders consign their tops to this sale but YOU set the price. The bulls include outstanding herd sire prospects, royally bred, top quality cattle . . . as well as good growthy farm and commercial bulls ready for heavy service . . . including many rugged bulls suitable for range purposes too.

This is always a good place to buy well-bred, profitable Polled Shorthorn females worth the money . . . open and bred heifers . . . of notable uniformity, high type and high quality . . . for foundation herds or to add to top breeding herds.

The Trend is to

POLLED SHORTHORNS

because cattlemen are seeking the quicker-maturing qualities combined with the naturally hornless trait of this fastest growing American beef breed.

These better-doing traits will be transmitted to your calf crops if you use a Polled Shorthorn bull. Polled Shorthorns are modern, built-for-profit cattle. Cash in on this greater profit!

DUCHESS BELL x - is a quiet, easy to handle heifer that should please the most critical. The bloodlines represented have produced deep, thick, easy to feed Polled Shorthorns in our herd.

1952 International Grand

Champion

Female

CLARISSA CORONITA 9TH, sired by N. Bar Prince, Junior and Grand Champion Polled Shorthorn female of the 1952 International Live Stock Show, was bred and owned by Lewis W. Thieman, Concordia, Missouri.

Her sire was the 1950 International Grand Champion Shorthorn bull and her dam was the 1950 International Grand Champion Polled Shorthorn female.

She was an extremely deep, low-set and well fleshed heifer - definitely an ideal type Polled Shorthorn female, and sold to Lynnwood Farms, Carmel, Indiana.

It is always a rare opportunity, but the ultimate aim of every leading breeder to add the blood of an International Grand Champion to his herd. You will have the very rare opportunity in this Congress Sale to add championship breeding to your herd.

POLLED SHORTHORN CONGRESS

We believe the customer is always right and the MIDWEST is asking for
MORE AND MORE POLLED SHORTHORNS.

Breeders, farmers, feeders, packers are demanding more and more of these naturally hornless Shorthorns. They are easy to handle, free from setbacks and loss in de-horning, ship at less loss, and safer in feed-lots and give greatest amount of beef in shortest feeding period.

Help us meet this demand. Enjoy your share of the certain profits. Start your herd with a top-ranking bull and some impressive females from this top sale of the year. These are Polled Shorthorns you'll be proud to own!

Polled SHORTHORN

NATIONAL
CONGRESS

The herd which achieves distinction consists of the best bull money can buy and good females which can enhance that bull's value with each succeeding crop of calves. Here is a rare opportunity to buy the top ends from the best sources of supply . . . animals of modern type, individuality, of the right conformation, backed by ancestry of known performance.

Many bulls in this Congress will not be available at any price when their calves begin to come. Many of the females would not be priced under any consideration at private treaty, but are consigned to this show-window of the breed because of the promotional value of the herd.

There will be animals to fit every herd need, and all are the kind to point the way to the attractive future ahead for Polled Shorthorns. BUY WITH CONFIDENCE IN THIS CONGRESS.
